

Ceremony 1952

6 May 1952

Dear Mr. Hodges:

I was very happy to receive your letter of the 5th of May and to learn that you are all well. Oddly enough, I thought of you and the Foster ceremony yesterday when we had an acknowledgment of our invitation for this year's ceremony from Mrs. Lilly, of Indianapolis, telling us that she is coming to New York, and will be at the University. I hearkened back to the good times we all had together, working for Stephen, and I am delighted beyond words to learn that our Dr. Wigmore has given you a memorial for the Library of Congress. He is certainly an amazing individual, and most generous, as you say.

I have not seen or heard of Louise Hauser since she worked with us all on the Foster ceremony, but since you say she was still living in New York when you last heard from her, I shall, some day, when my work is over here, look her up in the telephone book and try to establish contact with her.

With kind regards to you and Mrs. Hodges, believe me,

Cordially yours,

Bertha L. Lyons (Mrs. N.)
